Thick Stock Pumps

With 30+ years of experience, Metso Wyesco has developed repair techniques and procedures that insure improved and repeatable results. We are consistently able to increase the efficiency, reduce maintenance cost, and sustain longevity in our customer's pumps.

Our on-time deliveries, competitive repair rates, and dedication to quality, makes Metso Wyesco one of the premiere repair facilities in North America. In addition to providing great service and quality rebuilds, Metso Wyesco offers upgrades, retrofits and troubleshooting for Warren and other thick stock pumps.

Metso Wyesco inventories several rebuilt pumps available for exchange or purchase. We understand the cost of downtime, that's why we welcome rush jobs and are available 24/7. Allow Metso Wyesco the opportunity to save your company money and downtime today!
