

Metso UK Aggregates Business 7 years without lost time injury !

Metso UK Aggregates business is proud to have achieved over 7 years (nearly 1,000,000 hours) without a lost time injury (LTI4>). The UK Aggregates team are very proud of this achievement and everyone's dedication and focus on [Metso's HSE philosophy](#).

Metso UK Aggregates has HSE embedded in all their systems, behaviour and culture that meets and exceeds UK Regulations, and including the award for Safe Contractor Accreditation 8 years consecutively.

Within Metso there is a positive approach to HSE leading from the top global management to everyone in all areas of the business.

Continual auditing of HSE management systems, sites and safe systems of work ensures commitment from everyone with a proactive focus on health and safety.

Metso UK Aggregates will continue our focus on achieving further HSE excellence.
