

# ADVANCE VOTING FORM

## Metso Corporation's Annual General Meeting on April 24, 2025

With this form, I/we authorize Innovatics Ltd ("Innovatics"), the advance voting service provider for Metso Corporation's Annual General Meeting 2025, to register my/our votes with the shares I/we own/represent in certain items of agenda of Metso Corporation's Annual General Meeting 2025.

I/we understand that voting in advance by submitting this form requires that the shareholder's shares are registered on the shareholder's Finnish book-entry account. In turn, holders of nominee-registered shares shall vote in advance through their account management organization. The number of advance votes is confirmed on the Finnish record date of the Annual General Meeting, April 10, 2025, based on the holding in the book-entry account.

The personal information provided on this form is only utilized to verify a shareholder's identity by cross-referencing it with the data in the book-entry system. This information will be retained in Innovatics Ltd's database for the sole purpose of facilitating the company's Annual General Meeting. No information will be utilized for any other purposes or for any other general meetings.

Please note that you also may vote in advance electronically at the address [www.metso.com/aggm](http://www.metso.com/aggm).

### Voting in advance using this form:

At the Annual General Meeting, the advance votes are given in each of the items of the agenda of the Annual General Meeting as indicated with a cross (X) below.

- The option "For/Yes" means that the shareholder is in favour of approving the proposal.
- The option "Against/No" means that the shareholder objects to the acceptance of the proposal. By voting in advance it is not possible to submit a counterproposal to the meeting or demand a voting.
- "Abstain from voting" means giving an empty vote and that shares are considered to be represented in the Annual General Meeting, although the shares are not considered voting in favour of anything. This is meaningful, for example, in resolutions requiring qualified majority (e.g. agenda items 19 and 20), as in qualified majority items all shares represented at the Annual General Meeting are taken into account and abstentions thus have the same effect as votes Against/No. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.

The shareholder's shares are not considered as shares represented at the Annual General Meeting and not counted as cast votes with regard to the item in question if

- no voting instructions have been indicated

- there are more than one voting instruction on the same item
- other text or markings other than a cross (X) have been used to indicate a voting instruction
- markings have been made in the “Against/No” column relating to an agenda item that requires a counterproposal (i.e. agenda items 8, 11-15 and 17)

In a situation where a shareholder has voted in advance more than once or via more than one voting channel, for example, both electronically and by using this form, the votes given most recently will prevail.

If not otherwise communicated, the given advance votes are presumed to concern all the shares that the shareholder holds.
