

## **INSTRUCTIONS FOR SHAREHOLDERS WITH NOMINEE REGISTERED HOLDINGS**

### **Right to attend the Annual General Meeting**

A shareholder with nominee registered holdings shall be entitled to attend the Annual General Meeting if s/he:

- 1) is entitled to be registered in Metso Corporation's shareholders' register on the basis of the shares s/he/it holds on the record date set for the Annual General Meeting, April 10, 2025, and
- 2) has been notified for temporary registration in Metso Corporation's shareholder's register at the latest on April 17, 2025 at 10.00 a.m. (EEST) at the latest.

### **Registration for the Annual General Meeting**

Shareholders with nominee registered holdings are considered to have registered their wish to attend the meeting if they have been notified for temporary registration in Metso Corporation's shareholder's register. Changes that take place in shareholdings after the record date set for the Annual General Meeting will not affect a shareholder's right to attend the Annual General Meeting or exercise his/her voting rights. Shareholders with nominee registered holdings should contact their custodian bank in good time for the purpose of becoming temporarily registered into the shareholders' register.

The account management organization of the custodian bank shall also take care of the voting in advance on behalf of the holders of nominee-registered shares within the registration period applicable to nominee-registered shares, i.e. by April 17, 2025 at 10.00 a.m. (EEST) at the latest.

### **Use of a proxy and authorizations**

A shareholder with nominee registered holdings can provide his/her/its custodian bank with a proxy in accordance with guidelines provided by the latter.

If a shareholder wishes to authorize somebody else to act as his/her/its proxy rather than his/her custodian bank, the person selected as proxy should present Metso Corporation with a dated letter of proxy showing that he/she/it is authorized to represent the shareholder. A shareholder can participate by means of several proxy representatives to represent his/her holdings in different securities accounts, and can vote in different ways through separate holdings.

### **Further instructions**

Shareholders with nominee registered holdings are advised to request their custodian banks in good time for further instructions covering the above temporary registration in the shareholder's register, issuing letters of proxy, and registering for the Annual General Meeting.

### **Instructions for following the webcast**

Shareholders who are registered for the General Meeting, may also follow the meeting via webcast. In addition to registering to the General Meeting, the shareholders with nominee-registered holdings who are interested to follow the webcast are kindly requested to inform [agm@innovatics.fi](mailto:agm@innovatics.fi) thereof, before the end of the registration applicable to nominee-registered shares, i.e. by April 17, 2025 at 10.00 a.m. (EEST) at the latest.

It is not possible to ask questions, make counterproposals, otherwise speak, or vote via webcast, and following the meeting via webcast is not considered participation in the General Meeting or exercise of the shareholders rights.
